Cozy space where you can enjoy shampoo, BÜCE

BD KOREA Co., Ltd.

BÜCE S270F BÜCE NEW VERSION

BÜCE has been consistently loved in over 40 countries for the past 30 years and will help customers feel comfort and relaxed.

S t y l i n g C h a i r s

The BÜCE beauty chair uses high-density foam to **preserve its original shape even after long-term use**, providing customers with comfort and stability. A more differentiated design and service can be realized by combining the beauty chair with BÜCE's hydraulic/electric base made of high-quality materials.

[Chair Bases] ● ●

S h a m p o o C h a i r s

BÜCE self-reclining wash units adopt an **automatic reclining mechanism** that was developed for the **1st time in the world** and patented in China, Japan, Korea and USA. The whole seats are automatically reclining toward bowl stand when a customer sits on it, and it **provides best comfort** during shampoo service.

S h a m p o o C h a i r s

As the quality of shampoo service and the atmosphere of the shampoo room determine the quality of the salon, the importance of the shampoo chair is being highlighted more and more those days. BÜCE wash units **provide comfort** to customers with smooth reclining mechanism and **offer convenience** to users.
